The screenshot shows the GURU99 Demo Site homepage. At the top, there's a navigation bar with links for Selenium, Insurance Project, Agile Project, Bank Project, Security Project, Telecom Project, Payment Gateway Project, and New Tours. Below the navigation bar is a dropdown menu for SEO. The main content area has a header "Gtpi Bank". On the left, a sidebar lists options: Manager (selected), New Customer, Edit Customer, Delete Customer, New Account, Edit Account, Delete Account, Mini Statement, Customised Statement, and Log out. The main content area displays a form titled "Add New Customer". The form fields include: Customer Name\* (with an error message "Special characters are not allowed" next to it), Gender\* (radio buttons for male and female), Date of Birth\* (input field showing "14/09/2023"), Address\* (input field), City\* (input field), State\* (input field), PIN\* (input field), Telephone Number (input field), and E-mail\* (input field). At the bottom of the form, there's a note "\* mandatory fields" and two buttons: "Submit" and "Reset". A circular icon with a fingerprint pattern is located in the bottom right corner of the main content area.

Test case# NC4

The screenshot shows the Guru99 Demo Site homepage. The URL in the browser is [demo.guru99.com](http://demo.guru99.com). The page has a dark header with various project links. Below the header, there's a main content area with an orange banner titled "Gtpl Bank". On the left, a sidebar lists management options like Manager, New Customer, Edit Customer, Delete Customer, etc. The main form is titled "Add New Customer" and includes fields for Customer Name\*, Gender\*, Date of Birth\*, Address\*, City\*, State\*, PIN\*, Telephone Number, and E-mail\*. A validation message "Numbers are not allowed" is displayed next to the Customer Name field. At the bottom, there's a note about mandatory fields and two buttons: "Submit" and "Reset".

Test case# NC11

Screenshot of the Guru99 Demo Site showing a form validation error for a customer addition.

The browser address bar shows: demo.guru99.com

The page header includes the Guru99 logo, a navigation bar with links like Selenium, Insurance Project, Agile Project, Bank Project, Security Project, Telecom Project, Payment Gateway Project, New Tours, and SEO, and a search bar.

The main content area has a title "Gtpl Bank" and a sidebar menu with options like Manager, New Customer, Edit Customer, Delete Customer, New Account, Edit Account, Delete Account, Mini Statement, Customised Statement, and Log out. The "Manager" option is highlighted.

The central form is titled "Add New Customer". It contains fields for Customer Name\*, Gender\*, Date of Birth \*, Address\*, City\*, State\*, PIN\*, Telephone Number, and E-mail\*. The "Customer Name\*" field is highlighted with an orange border and contains the text "1234567890", which is an invalid entry as indicated by the error message "Numbers are not allowed". The "State\*" field is also highlighted with an orange border and contains an empty value, with the error message "State must not be blank".

At the bottom of the form, there is a note "\* mandatory fields" and buttons for "Submit" and "Reset". A circular QR code is located in the bottom right corner of the page.

Test case# NC12

Screenshot of the Guru99 Demo Site showing a customer addition form with validation errors.

The page title is "Guru99 Demo Site". The top navigation bar includes links for Testing, Selenium, Live Project, and Java. The main menu has categories like Selenium, Insurance Project, Agile Project, Bank Project, Security Project, Telecom Project, Payment Gateway Project, New Tours, and SEO.

The current section is "Gtpl Bank". The left sidebar shows a navigation menu with options: Manager (highlighted in orange), New Customer, Edit Customer, Delete Customer, New Account, Edit Account, Delete Account, Mini Statement, Customised Statement, and Log out.

The main content area is titled "Add New Customer". It contains fields for Customer Name\*, Gender (male selected), Date of Birth (14/09/2023), Address\*, City\*, State\*, PIN\*, Telephone Number, and E-mail\*. The PIN field is highlighted with an orange border, and an error message "PIN Code must not be blank" is displayed next to it. The State field also has an error message "State must not be blank".

At the bottom left, there is a note: "\* mandatory fields". At the bottom right, there are "Submit" and "Reset" buttons, and a circular icon with a fingerprint pattern.
